---

Time	Item	Owner
8:00am	Welcome	RT
	Introductions – Days Objectives	RT
	Most of the day will be devoted to the GPR Study. (Completed by Ball State University) Once potential headstones are located they will be flagged so they can be uncovered. The goal being to upright the stones on a later day.	ALL
11:30am –	Lunch – Provided for all – Grilled hotdogs, chips, fruit, cookie and drink	
12:30pm – 5:00pm	Continue with GPR Study	ALL

It is anticipated that there will be three attendees from Ball State and approximately 6-10 additional volunteers digging around located head stones.

In the event of thunderstorms and lightning volunteers are to return to their cars. If it appears the storms will be long term group may travel to Thorntown and wait out the storm.

### **What will be provided by Reece Thompson:**

Bottled water, a canopy, chairs, first aid kit, sunscreen, some digging tools, brushes, some hand tools, gloves, headstone cleaning tools, water.

### **What should I bring?**

Digging tools, hand tools for digging, items needed to be outside all day. There is some shade at the cemetery.

**Please Note: There are no restrooms on site. This event is open to all scouts. Any scouts under age 16 require a parent or guardian to stay on site.**
